There is no guesswork about the making of Ivory Soap.

The formula is exact—so much of this; so much of that; so much of the other.

The materials must be of a certain standard—the highest. Experienced chemists analyse them and see that they are.

Diamonds

"THERE'S A REASON" why one 1-carat diamond costs one price and another one another price. The cheapest one, if purchased, will probably prove the poorest asset.

The value of a piece of realty is largely governed by its negotiable possibilities, and a close-in corner lot is a quicker asset in an emergency than a lot in a subdivision section would be. So with a diamond, try to sell an inferior diamond to your friends and tell them the truth, that it is yellow, imperfect and lacks brilliancy and see how difficult it will be to get a customer; but try to sell a fine stone, state fairly its merits and all will crave its possession. In other words a ready market always exists for fine diamonds and a questionable market for inferior diamonds.

Have confidence in some house that is worthy of it and take their word as to the worth of the stone they offer for sale and you will profit by it, as your own judgment may prove a snare.

We ask your complete confidence and with it your diamond business.

Bad Drinking Water a Common Cause of Sickness.

One of the most common causes of sickness is bad drinking water. In some parts of the country where shallow wells are the principal source of supply, diarrhoea is quite common, and Chamberlain's Colic, Cholera and Diarrhoea Remedy in demand. One or two doses of this remedy will check the attack and prevent any serious consequences. This remedy is for sale by all druggists.

WE WANT EVERY GRAND ARMY MAN

To Drink

American Beauty Beer

During his stay in Salt Lake this summer. We want him to do it for his own sake, because no beer excels it in purity, quality and general excellence. We particularly invite the comrades from Milwaukee and St. Louis to compare the relative merits of American Beauty Beer with that they get at home.

The greatest attention has been given to the hygienic cleanliness of bottles and to the scientific sterilization of the beer, and all this same methodical care being used in every process of manufacture has made the American Beauty Beer the favorite throughout the West.

The fact that the bottling house is equipped with the finest and most up-to-date machinery can be demonstrated on inspection, and a cordial invitation is extended to all to come and see our up-to-date plant.

The SALT LAKE CITY BREWING CO. JACOB MORITZ, General Manager.
